## **Lock Closures At Ice Harbor and Lower Granite Locks September 6, 2006**

The navigation lock at **Ice Harbor Lock & Dam**, located at SN river mile 9.7, will be closed September 6, 2006, **from 7:00 a.m. until 4:00 p.m.**

During the lock closure there will be a technical inspection of cracks at critical joints in the trunnion arms of the upstream navigation lock gate.

Repair of these cracks is scheduled to take place at a later date, possibly during the March 2007 annual maintenance lock closure.

The navigation lock at **Lower Granite Lock & Dam**, located at SN river mile 107.5, will be closed September 6, 2006, **from 7:00 a.m. until 11:00 p.m.**

The Project maintenance pedestrian bridge, at the lock, will be removed during this outage.

Your cooperation in this matter is much appreciated. For additional information, please call Operations Division, at (509) 527-7115 or (509) 527-7114.

Public Notices and other navigation lock information are available on the Internet at:
